Experience

Agency.in (Digital Dwarves PVT LTD) / Sr UI-UX Designer

APRIL 2012 - PRESENT, PANJIM (GOA)

This was my turning point where i was introduce to UI (User Interface) Being a long working employee of this company I had learnt lot of new things Such as Prototyping in Invision & Marvel app, Designing SEO friendly website in Sketch app & photoshop tool, Making site in Wordpress, Optimizing the site such as speed & page load, Working with CSS, LESS & SAAS for crafting the website, Worked with Big Giant company (Tata, Commonfloor, Weddingz, Manaslake, Goomo, Lifafa, etc). Whenever possible, i used to write PHP Code. This is my short intro working with Agency.in.

iTechnologixIndia / Sr Graphic Designer

AUGUST 2010 - APRIL 2012, PANJIM (GOA)

My first real job in the IT Industry.. Learnt to make websites from scratch - design PSDs, convert them, make static site etc.. Full front end design and development.. Was a nice experience working here..
